

DO IT  
(Bieri/Wiederkehr)

I walk, I'm walking alone on my way  
I'm hiding  
No one will stop me from running away  
No!  
Fear is pushing all my actions now but I  
know I am strong  
I walk I'm walking alone on my way  
No one will catch me!  
I am calling while I'm running is there  
anyone who can help me please?  
My road is lonely because of these fears  
I'm hiding  
How can I learn fo feel free to be free?  
My freedom  
This is my fight!  
I walk, I'm walking alone on my way  
I'm hiding  
No one will stop me from running away  
I am calling while I'm running is there  
anyone who can help me please?  
My freedom  
This is my right!
